

Team F Final Presentation

Aric Allen, Jiazh Li, Ruiyang Ma

A and B

A: add new user (must be visible and accessible immediately);

B: modify user data (must allow all user's properties to be changed);

D, E, G and H

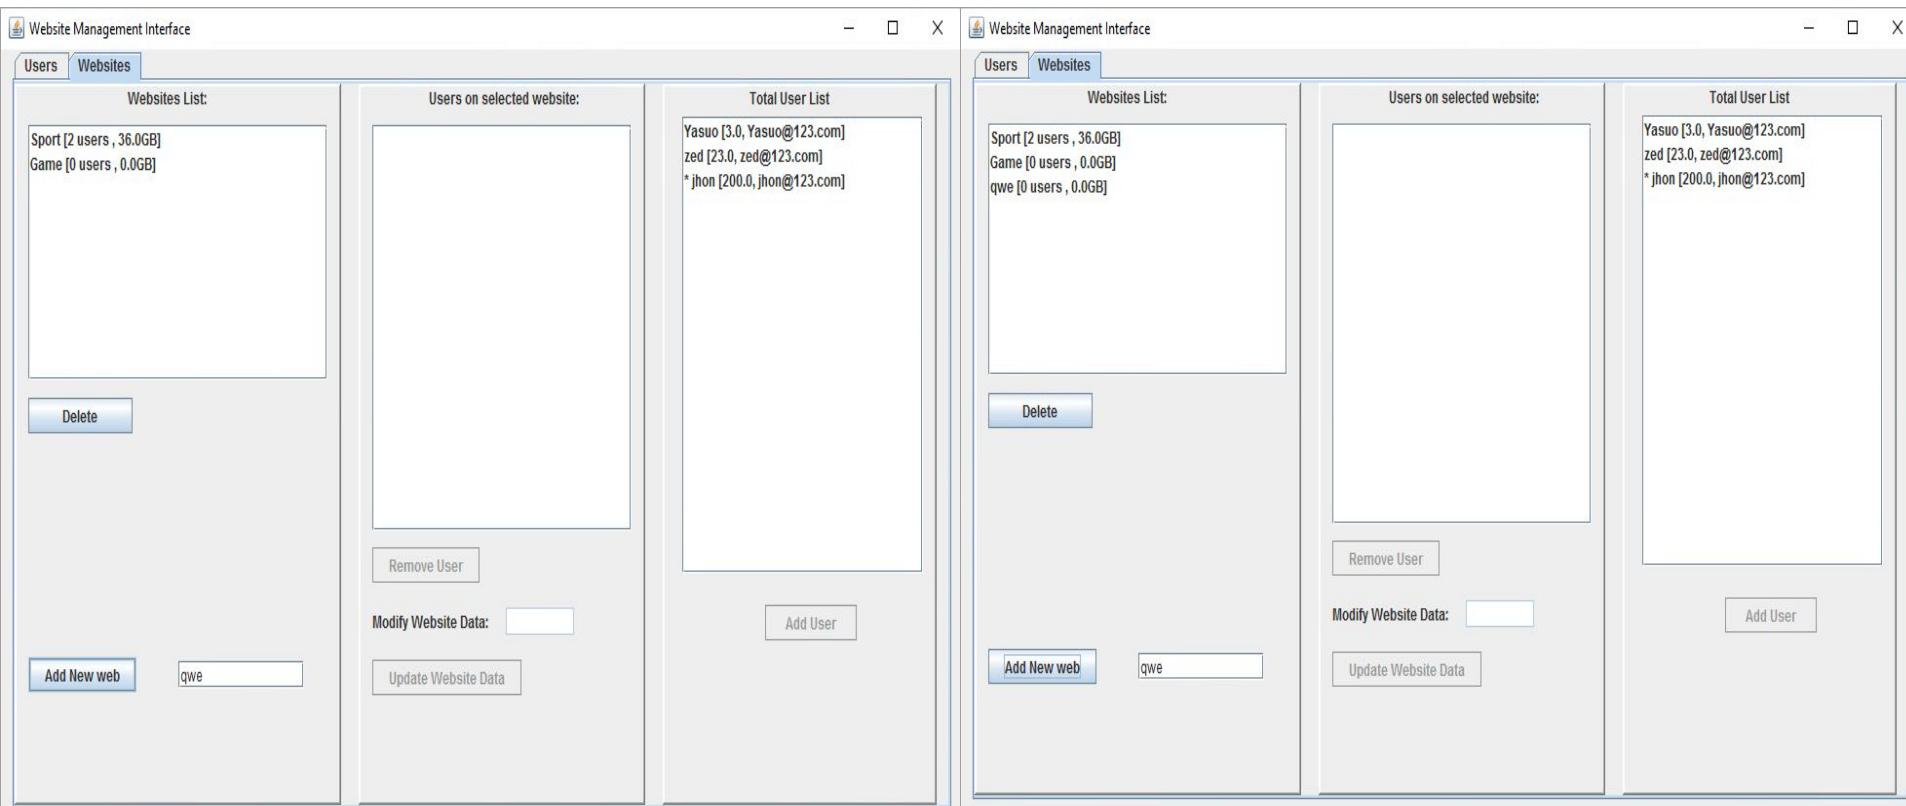

D: Add new website (must be visible and accessible immediately);

E: Modify website data (must allow all website's properties to be changed);

G: Automatically update and show all websites' size whenever a change is made (for example, additional data requirements are modified for one of the users, or users are modified or deleted);

H: Automatically show users that are not assigned to any website (or mark them somehow) and automatically update this whenever necessary (for example, websites are modified or deleted).

D: Add new website (must be visible and accessible immediately);

E: Modify website data (must allow all website's properties to be changed);

Website Management Interface

Websites List:

- Sport [2 users , 36.0GB]
- Game [0 users , 0.0GB]

Users on selected website:

- Yasuo [3.0, Yasuo@123.com]
- zed [23.0, zed@123.com]

Total User List

- Yasuo [3.0, Yasuo@123.com]
- zed [23.0, zed@123.com]
- * jhon [200.0, jhon@123.com]

Website Management Interface

Websites List:

- Sport [2 users , 46.0GB]
- Game [0 users , 0.0GB]

Users on selected website:

- Yasuo [3.0, Yasuo@123.com]
- zed [23.0, zed@123.com]

Total User List

- Yasuo [3.0, Yasuo@123.com]
- zed [23.0, zed@123.com]
- * jhon [200.0, jhon@123.com]

Buttons and Input Fields:

- Delete** button (in both windows)
- Add New web** button (in both windows)
- Remove User** button (in both windows)
- Modify Website Data:** input field (value 10.0 in the right window)
- Update Website Data** button (in the left window)
- Update Extra Data** button (in the right window)
- Add User** button (in both windows)

G: Automatically update and show all websites' size whenever a change is made (for example, additional data requirements are modified for one of the users, or users are modified or deleted);

The image displays two side-by-side windows of a "Website Management Interface".

Left Window (Initial State):

- Top Bar:** Website Management Interface
- Tab Bar:** Users (selected) and Websites
- Websites List:** Sport [2 users , 36.0GB] (highlighted), Game [0 users , 0.0GB]
- Users on selected website:** Yasuo [3.0, Yasuo@123.com], zed [23.0, zed@123.com]
- Total User List:** Yasuo [3.0, Yasuo@123.com], zed [23.0, zed@123.com], *jhon [200.0, jhon@123.com]
- Buttons:** Delete, Remove User, Modify Website Data: 10.0, Update Extra Data, Add New web

Right Window (After Change):

- Top Bar:** Website Management Interface
- Tab Bar:** Users and Websites
- Websites List:** Sport [1 users , 23.0GB] (highlighted), Game [0 users , 0.0GB]
- Users on selected website:** zed [23.0, zed@123.com]
- Total User List:** *Yasuo [3.0, Yasuo@123.com], zed [23.0, zed@123.com], *jhon [200.0, jhon@123.com]
- Buttons:** Delete, Remove User, Modify Website Data: 10.0, Update Extra Data, Add User, Add New web

H: Automatically show users that are not assigned to any website (or mark them somehow) and automatically update this whenever necessary (for example, websites are modified or deleted).

The image displays two side-by-side windows of a "Website Management Interface".

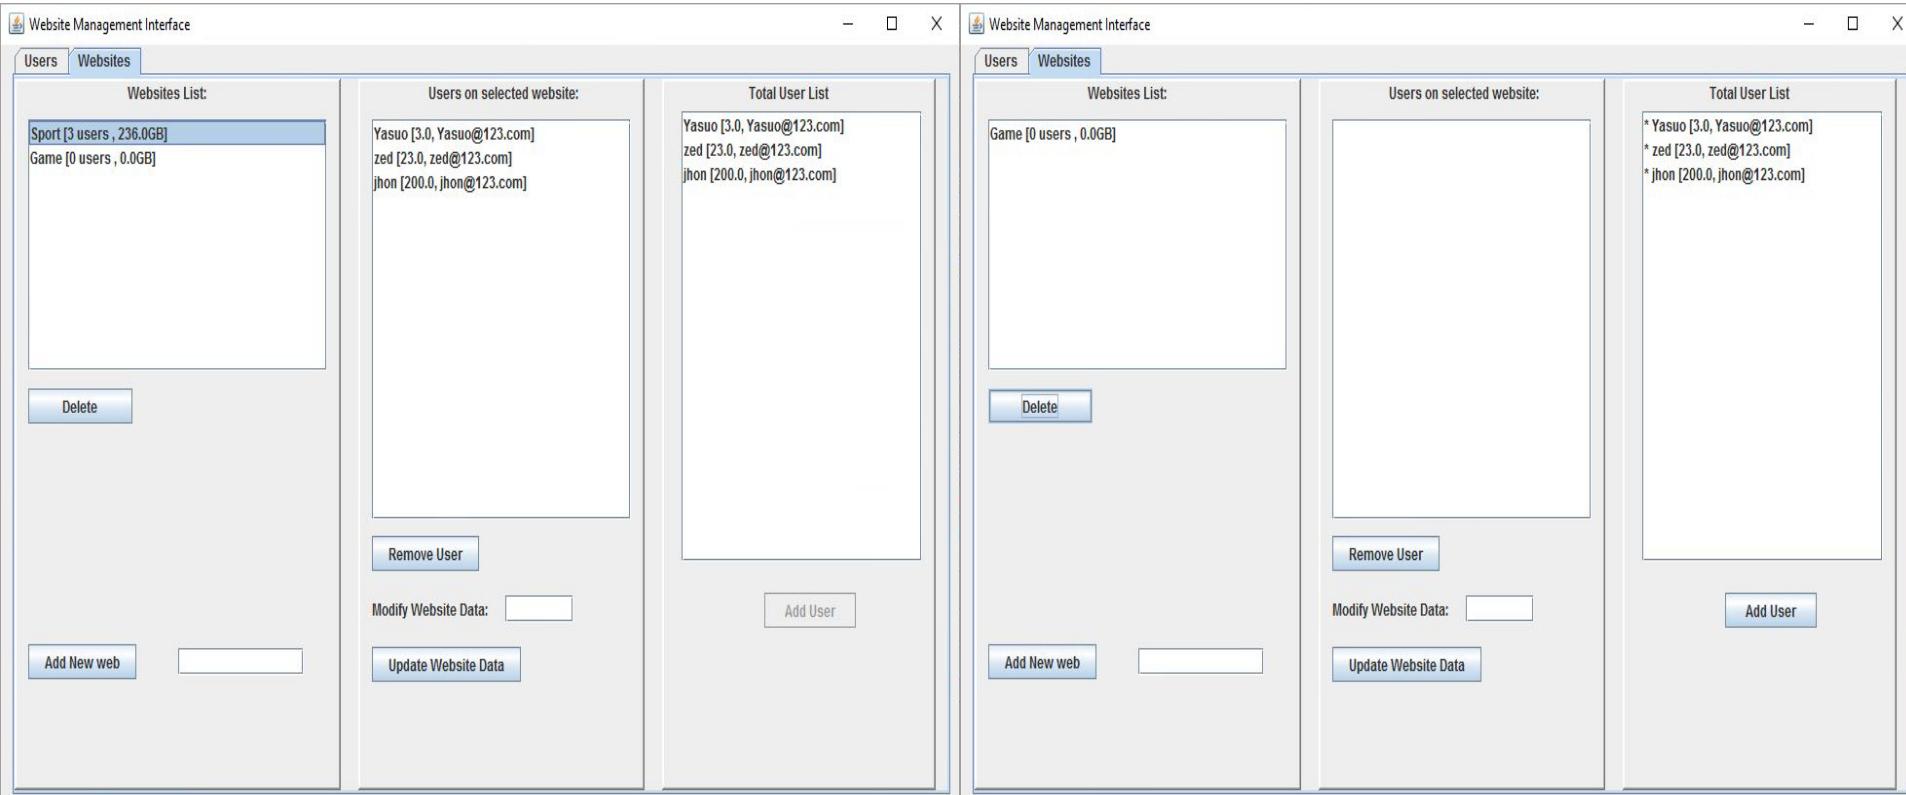

Left Window (Users Tab):

- Websites List:** Shows "Sport [2 users , 36.0GB]" and "Game [0 users , 0.0GB]".
- Users on selected website:** Shows users for the "Sport" website: "Yasuo [3.0, Yasuo@123.com]", "zed [23.0, zed@123.com]", and "* jhon [200.0, jhon@123.com]".
- Total User List:** Shows all users: "Yasuo [3.0, Yasuo@123.com]", "zed [23.0, zed@123.com]", and "* jhon [200.0, jhon@123.com]".
- Buttons:** "Delete", "Add New web", and "Update Website Data".

Right Window (Websites Tab):

- User List:** Shows the same three users: "Yasuo", "zed", and "* jhon".
- User Details:** Shows fields for "User name: jhon", "Data Allowance: 200.0", and a "Update User" button.
- Create User:** Fields for "Name", "Data", and "Email", with a "Create User" button.
- Delete User:** A "Delete User" button.

H: Automatically show users that are not assigned to any website (or mark them somehow) and automatically update this whenever necessary (for example, websites are modified or deleted).

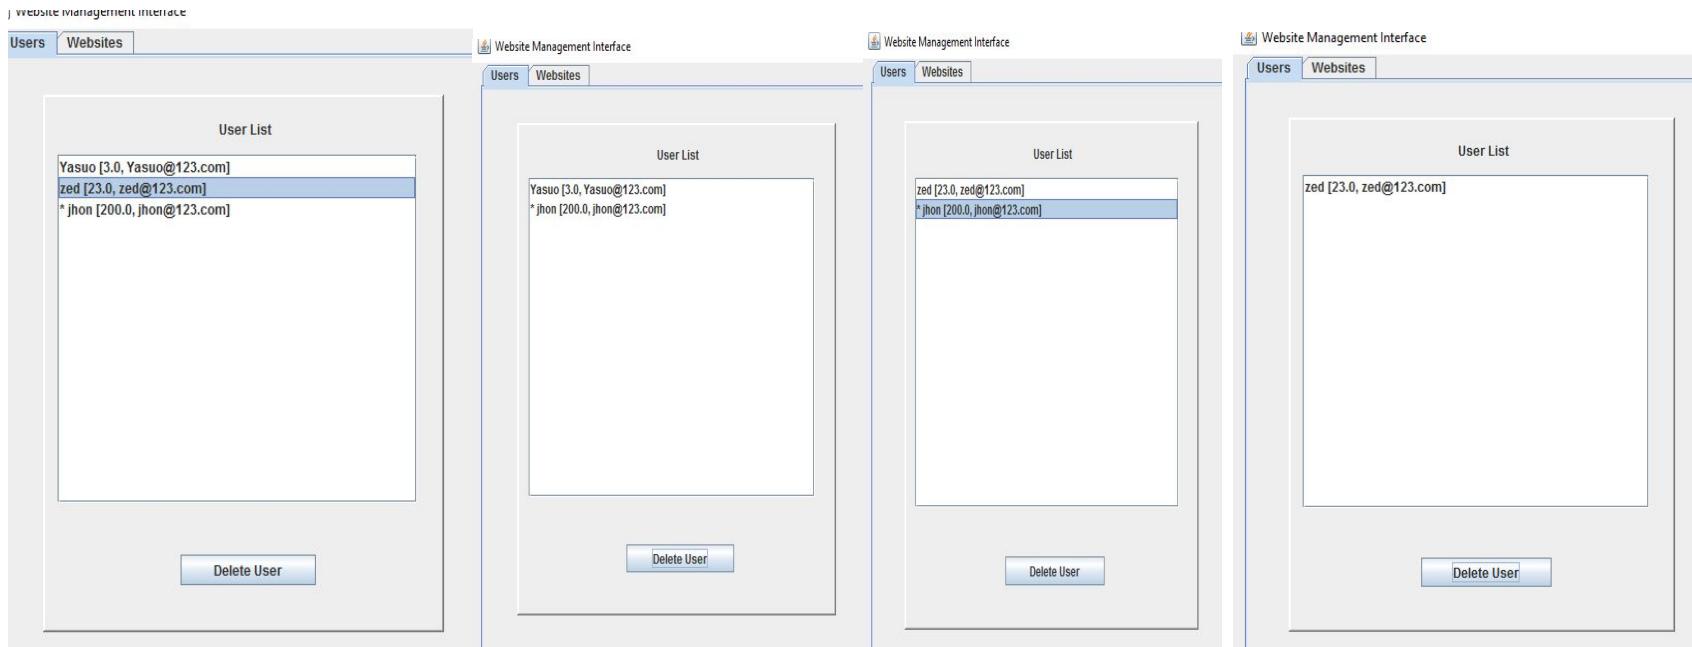

C and F

Requirements of C and F

- c. delete a user (this must remove that user from each and every website at once);
- f. delete website (website no longer shows up in the interface, as if it never existed)

Delete a user

When you want to delete a user, just select the user in the user list and click Delete. No matter whether the user is assigned a website or not, it will be deleted. This means that even if the user is assigned a website, it also will be deleted.

Delete a user

And this operation will also be synchronized to the other two tables——Websites Lists and Total User List.The user will disappear completely

The screenshot shows a software interface with three main panels:

- Websites List:** Shows "Sport [1 users , 23.0GB]" and "Game [0 users , 0.0GB]".
- Users on selected website:** An empty panel.
- Total User List:** Shows "zed [23.0, zed@123.com]".

Buttons visible include "Delete" (under Websites List), "Remove User" (under Users on selected website), and "Add User" (under Total User List). There is also an "Extra Data:" input field under the second panel. At the bottom, there are "Add New web" and "Delete" buttons.

Delete website

Similar to deleting users, if you want to delete a website , select it in the website list and click Delete. This website will disappear completely.Those users assigned to this website will be remarked as unassigned.

The screenshot shows the 'Website Management Interface' window with three main panels. The left panel, titled 'Websites List', contains two items: 'Sport [2 users, 36.0GB]' and 'Game [0 users, 0.0GB]'. The middle panel, titled 'Users on selected website:', lists users associated with the selected website. The right panel, titled 'Total User List', shows all users in the system. A blue rectangular box highlights the 'Sport' website in the 'Websites List' panel. A blue button labeled 'Delete' is located at the bottom left of the interface.

Website	Users	Space
Sport	2 users	36.0GB
Game	0 users	0.0GB

Users on selected website:

- Yasuo [3.0, Yasuo@123.com]
- zed [23.0, zed@123.com]
- * jhon [200.0, jhon@123.com]

Total User List

- Yasuo [3.0, Yasuo@123.com]
- zed [23.0, zed@123.com]
- * jhon [200.0, jhon@123.com]

This screenshot shows the same 'Website Management Interface' window after the 'Sport' website has been deleted. The 'Websites List' panel now only shows the 'Game' website. The 'Users on selected website:' and 'Total User List' panels remain the same as in the previous screenshot, displaying the same user information. A blue rectangular box highlights the 'Game' website in the 'Websites List' panel. A blue button labeled 'Delete' is located at the bottom left of the interface.

Website	Users	Space
Game	0 users	0.0GB

Users on selected website:

- Yasuo [3.0, Yasuo@123.com]
- zed [23.0, zed@123.com]
- * jhon [200.0, jhon@123.com]

Total User List

- Yasuo [3.0, Yasuo@123.com]
- zed [23.0, zed@123.com]
- * jhon [200.0, jhon@123.com]
